VETERINARY REPORT 'LAGO OVATION 2015'

Signalment: Two Year Old Thoroughbred Filly

Owner: JHB Syndications

This filly suffered a severe paddock injury to her left hock on 21st July 2017, which required surgical correction. The surgery was carried out on 29th August 2017. The surgery went well and the filly has made an uneventful recovery. A follow up exam of '**Lago Ovation 2015**' revealed that she is fit for breeding, however the prognosis for racing remains hopeless.
