**Horse:** Shuswaggi

Shuswaggi was examined shortly after she raced on 23<sup>rd</sup> December 2018.

She was 3 out of 5 lame left front.

After reviewing her previous veterinary records and radiographs taken on the 6<sup>th</sup> December 2018, a recommendation the mare be retired to stud. The moderate degenerative changes to both knees would adversely affect her ongoing racing performance and wellbeing.

Kind regards
