VETERINARY REPORT FOR 'SWEETEST MOMENT'

Signalment:

3-Year-Old Bay Thoroughbred Filly - 985100012117979

Trainer:

Mrs Gai Waterhouse & Mr Adrian Bott

Veterinarian:

Dr Graham Doherty

I have reviewed all radiographs taken for **Sweetest Moment** to date, sent to me by Dr Graham Doherty.

There is significant arthritic change to both right hind fetlock and pastern joints, which has progressed substantially from radiographs taken at the beginning of May this year. Given the deterioration in radiographs, limited options of managing the pastern joint medically and the lameness early in race preparation, the prognosis for racing is considered guarded and retirement is recommended.

Please call should you have any questions regarding this report.
