To Whom It May Concern

Dear Sir/Madam

RE: "Massimo" 2016 Brown Thoroughbred Gelding
Branded: XX5 24 over 6 Microchip Number: 985100012113097

I examined "Massimo" on behalf of Durrant Racing at Balddivis Vet Hospital on the 22 June 2021. Clinical examination showed all vital parameters were within normal limits. Gait evaluation revealed no lameness.

Based on this examination, in my opinion this horse is fit to race.

Yours sincerely
