DETAILS OF THE FILLY'S ACQUISITION

On 2 March 2020 the filly was consigned to the Inglis Premiere Yearling Sale by Stonehouse Thoroughbreds (as Agent), Eddington, VIC. Triple Crown Bloodstock Pty Ltd purchased the filly for \$55,000 inclusive of GST. The Promoter has a legally enforceable right to possession of the filly and will receive unencumbered title upon payment of the purchase price to Inglis & Sons Ltd prior to the registration of the horse. Registration of the horse will then take place after the completion of the Syndicate and the allotment of shares. At this time the Promoter will ensure that the participants in the syndicate have unencumbered title to the horse and will provide Racing NSW with a Vendor Release Statement confirming the same. An estimate of the additional expenses incurred by Triple Crown Bloodstock Pty Ltd in the syndication of this filly since acquisition can be seen in the section titled "Expenses Incurred by the Promoter".

Application moneys received by Triple Crown Bloodstock Pty Ltd will be held in a separate trust account until the syndication of the filly has been completed.

If the Syndicate is not fully subscribed within six (6) months of invitations for shares first being made to the public then all application moneys held in trust, together with interest, will be returned to applicants within ten (10) business days.

The Promoter will register the Syndicate within 45 days of applications for the minimum number of interests in the syndicate being received or the minimum amount for the Syndicate has been raised, unless the time period elapsed since the Product Disclosure Statement was approved by the Lead Regulator is under 6 months and shares remain available for sale, in which case the Promoter will register the Syndicate within 45 days of the sale of the final share in the scheme as required.

The Promoter confirms that any personal property security interest registered against the title to the horse has been released or will be released and that the Promoter will, before or on registration of the syndicate with Racing NSW, confirm to Racing NSW that the personal property security interest has been released if applicable.

EXPENSES INCURRED BY THE PROMOTER

The following expenses (excluding general operating expenses) have either been incurred or are expected to be incurred by Triple Crown Bloodstock Pty Ltd in the formation of the 2018 Mikki Isle (JPN) ex Statuette Filly Syndicate (figures are GST inclusive): Horse Purchase \$55,000, Inglis Race Series Nomination \$3,850, Golden Slipper & Golden Rose race nominations \$385, Breaking-in Fee \$3,600, Agistment \$1,361, Pre-training \$1,437, Training \$1,967, Farrier \$400, Veterinary \$950, Transport \$1,400, Dentist \$75, Insurance \$494, Accounting Costs \$1,100, Printing/Stationary/Postage/Telecommunications/Photography \$2,200, Office/Administration/Salaries \$6,000, Advertising \$9,900, PDS Registration Fee with Lead Regulator

\$200, Syndicate Registration Fees \$750, ASIC PDS Notice in Use Fee \$37, Professional Indemnity Insurance Averaged \$1,543, Sales Attendance Averaged \$1,650. Total of all expenses incurred by the Promoter is \$94,299 plus some additional business operating overheads.

Any additional costs, over and above those anticipated, prior to 1 May 2020 will be borne by Triple Crown Bloodstock Pty Ltd and will not become the responsibility of the Syndicate members.

STATEMENT REGARDING ANY POTENTIAL CONFLICT OF INTEREST

The Promoter does not indirectly influence experts such as trainers, veterinarians or valuers to provide advice, which is biased, nor do these experts have any commercial reason to provide advice which is biased.

In an instance when the Promoter or trainer retains a share in the horse, the share is a commercial investment and the appropriate fees are apportioned to the trainer or Promoter as they are to all Shareholders. Neither the Promoter, Manager or any of their associates has a beneficial financial interest in the sire or dam of the horse. Furthermore, the Promoter is not entitled to a free service to the sire of the horse the subject of the Product Disclosure Statement.

Some Promoters in the industry receive administration fee rebates from trainers based on the daily training fees paid by their owners. We declare that Triple Crown Bloodstock Pty Ltd does not receive any trainer rebates.

OTHER IMPORTANT INFORMATION

The Syndicate will be governed and operated in accordance with the Syndicate Deed, which is available upon request at any time from Triple Crown Bloodstock Pty Ltd.

The Promoter will manage the horse, including lodgement of accounts with the Lead Regulator or ASIC for the pre-racing and racing life of the horse, until the Syndicate is officially wound-up by the Syndicate Manager after the sale, death or retirement from racing and/or breeding of the horse. Management activities may include, but are not limited to, race programming and jockey selection, regular communication on your horse's progress, arranging veterinary care for the horse, organising stable visits for owners, managing race day procedures and performing all general administration duties for the Syndicate.

The owner of each share shall be liable for a pro-rata share of costs associated with operating the Syndicate and racing the filly. It is reasonably anticipated that these costs (excluding optional insurance cover) will equate to approximately four hundred dollars (\$400) plus GST on average per 10% share per month. However, as it is impossible to accurately predict the future Syndicate expenses due to the many variables involved, the actual costs may vary from these estimates. The anticipated costs include, but are not limited to, training expenses, agistment expenses, transport expenses, veterinary charges and syndicate management fees, with the latter currently set at \$65.00 plus GST per month (or part thereof) per 10% shareholder pro-rata, subject to a minimum fee of \$65.00 plus GST per month (or part thereof) per shareholder. On this point of costs it should also be noted that any Syndicate participant may elect to have the horse tested for a prohibitive substance under the Australian Rules of Racing with the cost of testing to be borne by all participants (whether or not they elected to have the horse tested).

Should the filly and/or any interest in the filly (including any allocation and sale of additional shares) and/or any shares ever be sold in the filly, then the Syndicate Manager shall be entitled to receive a commission of 10% plus GST of the gross sale price. Similarly, if an insurance claim is ever made on the filly then the Syndicate Manager shall be entitled to the same commission rate of the claim paid by the insurer. Finally, if Shareholders ever breed from the filly, the Syndicate Manager shall be entitled to receive 10% plus GST of the gross income revenue received from the sale of the progeny of the filly.

The Promoter reserves the right to discount the share price at their sole discretion in certain circumstances.

STATEMENT OF INDUSTRY RISKS

An investment in a racehorse should be considered speculative in nature. While it may prove very rewarding, there are a number of potential risks associated with this type of investment, such as (but not limited to) the following: horses can become injured; not all horses proceed to a race career; not all racehorses earn prizemoney; insurance, when secured, may not cover all possible scenarios; male horses may be gelded; the prospect of a future breeding career may not eventuate; and, the value of each share may fluctuate over time both higher and lower depending on a range of factors, including the race track performance of the horse and the level of supply and demand for bloodstock at any point in time.

DISPUTE RESOLUTION

In the event that a dispute arises, the Shareholder should first contact the Syndicate Manager to attempt to resolve it. If the dispute has not been resolved within forty five (45) days then the complainant may be entitled to refer their dispute to Racing NSW should their concerns be horse or racing related, alternatively to the Australian Financial Complaints Authority (AFCA) should their concerns relate to financial services provided under this Product Disclosure Statement. Triple Crown's AFCA Membership Number is 12452.

- (b) this Product Disclosure Statement contains all information which prospective investors and their advisers would require and reasonably expect to find in a Product Disclosure Statement for the purpose of making an informed assessment about investment in the Syndicate.

General

The promotion of horse racing schemes is a financial service regulated by the Corporations Act and requires Triple Crown Bloodstock Pty Ltd ("Promoter"), as the holder of an Australian Financial Services Licence ("Licence"), to provide you with this Financial Services Guide ("FSG") prior to it promoting an interest in a horse racing scheme to you.

This FSG is intended to inform you of certain basic matters relating to the services that the Promoter may provide to you, including the services he is authorised to provide, how you will pay for those services, how the Promoter gets remunerated and what to do if you have a complaint. It is intended that this FSG should assist you in determining whether to utilise any of the financial services that the Promoter is authorised to provide.

This FSG contains general information only and specific information relating to horse racing schemes promoted by the Promoter is contained in the Product Disclosure Statement for each scheme which is available from the Promoter upon request.

Who will be providing the financial service?

The Promoter holds the Licence in its own name and provides the financial services referred to in section 3 of this FSG in its capacity as principal, and not as an authorised representative of any other licensee.

The financial services referred to in section 3 of this FSG are provided either by the Promoter itself or on its behalf by employees or authorised representatives engaged by it in accordance with the Corporations Act.

The Promoter, as principal, is solely responsible for the financial services that it provides pursuant to its Licence.

AFS licensees are required to have adequate Professional Indemnity insurance or an alternative arrangement approved by ASIC. The Promoter obtained Professional Indemnity insurance from Logan Livestock Insurance Agency Pty Ltd on 18 June, 2008. The policy incorporates cover for all current and past employees of the promoter associated with this promotion at time of registration.

What financial services is the Promoter authorised to provide?

The Promoter is authorised to issue interests in horse racing schemes. To obtain an interest in a horse racing scheme you need to obtain from the Promoter a Product Disclosure Statement in relation to the relevant horse and complete the purchaser's acknowledgment and application.

The Promoter is also authorised to provide general advice in relation to horse racing schemes. The Promoter is not authorised to provide personal advice (being advice that takes into account a person's objectives, financial situation and needs) in relation to horse racing schemes.

How do I pay for financial services provided to me by the Promoter?

There is no charge for general advice given to you by the Promoter relating to the acquisition of an interest in a horse racing scheme.

If you do choose to invest in one of the Promoter's horse racing schemes you will be required to pay the purchase price for your relevant interest in that scheme. The purchase price for an interest varies according to the particular horse the subject of a racing scheme and the number of participants in that scheme. The Product Disclosure Statement for the relevant syndicated horses contains details of the purchase price.

How does the Promoter get remunerated for its provision of financial services?

As stated above, the Promoter does not charge for giving general advice in relation to horse racing schemes.

In relation to the acquisition of an interest in a horse racing scheme, the purchase price that you pay the Promoter represents a proportion (based on the number of participants in the scheme) of the acquisition costs for that horse, the costs of promotion (a breakdown of these costs is contained in the Product Disclosure Statement for each syndicated horse) and in some cases a margin.

Is an interest in a horse racing syndicate an investment suitable to my needs and financial circumstances?

As stated in section 3 of this FSG, the Promoter gives general advice only and does not give personal advice that takes into account an investor's objectives, financial situation and needs. A horse racing syndicate is a speculative investment with its own risks and each investor should obtain their own independent advice as to the suitability of such an investment for them.

A copy of the Product Disclosure Statements for each horse racing scheme containing important details about that scheme is available for you upon request and we suggest you study it prior to making any decision to invest.

What do I do if I have a complaint about a financial service provided to me?

If you have a complaint about either the advice that the Promoter has given you or about an interest in a horse racing scheme that you have acquired from him you should take the following steps:

First - contact the Promoter and discuss your complaint with them. The Promoter has an internal dispute resolution process that it will utilise in an effort to resolve your complaint as quickly as possible.

Second – if your complaint is not resolved to your satisfaction after 45 days of having notified and discussed it with the Promoter, you have a right to complain to the Australian Financial Complaints Authority (an external industry dispute resolution body of which the Promoter is a member), whose details are:
