### **REPORT ON EXAMINATION**

**Patient:** Miss Musha X Scissor Kick 2020 filly

**Signalment:** Yearling Thoroughbred filly

**Microchip:** 985100012182541

The above-described patient underwent standing endoscopic examination of the upper respiratory tract on 17/2/2022. At this time, she was a grade 1/5 left laryngeal hemiplegia. Clinical examination of the filly was normal.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Jack Holman'.
