

## VETERINARY REPORT

Date: 09-07-2025

Owner: Tony Gollan

Horse Name: Cannonball

DOB: 10/09/2019

Signalment: 5yo Chestnut TB Gelding

Microchip: 985100012167317

Location: Embrook Stables, Beaudesert, 4285

Findings:

The horse identified above presented on the 09/07/2025 for a clinical health examination, trot up and static flexion of all 4 limbs as requested by Tony Gollan.

Clinical Exam:

Examination and auscultation of the heart and lungs showed no abnormalities with the heart and respiratory rate within normal limits. The temperature was also within normal limits. He appeared to have normal vision in both eyes.

Trot up:

Cannonball was seen to trot sound in a straight line. Static flexion of the joints was considered within normal limits. His joints had a normal range of motion and normal effusion. Palpation of the tendons in both forelimbs showed no abnormality.
