Veterinary Report - Rosemont Stud

Date: 17/07/2024

Horse: Capital Call

Sex: Gelding

Colour: Bay

The horse Capital Call was examined by me today at Rosemont Spelling farm. On examination, no lameness was detected when observed at the walk, trot in or straight line on a firm surface.

The horse was bright, alert and in good body condition. Vital signs were within normal limits.

Regards

Dylan Lau BVSc (Hons)
